

A low-angle, upward-looking photograph of several modern skyscrapers with glass facades. The buildings are arranged in a way that they appear to converge towards the top of the frame, creating a sense of height and scale. The sky is a clear, pale blue. The glass reflects the sky and each other, creating a complex pattern of lines and colors. The overall mood is clean, modern, and professional.

-  **Master Level**
 - For students who have already developed a trading system and want to further refine their techniques.

Unimart

Unimart

ABOUT US

Unimart is a direct selling company based on natural products in healthcare sector. Customers are acquired through Unimart distributor or IBO's online shops.

Unimart products have MRP/offer price and BV (Business volume).

Commissions are paid on BV.

For example, a product MRP is Rs 1,000 and BV= 500 so, commission will be paid on 500 1 BV = Rs 1 Unimart distributor or IBO will get an online portal through which they will be able to sell products to their customers and join other IBO's to their team.

Customers will not be part of any structure. Show them in list of customers in every IBO account

What ever sale is happening through IBO own account or through their referral link to their customers, all the BV will count towards their own account for 30 days. Any BV will expire after 30 days. For example: if any of your customer bought a product on 5th of October the BV attached to that product will expire on 4th November from your account.

UNIMART MISSION

Unimart mission is inspired by three principles: SCIENCE-HEALTH – NATURE. Unimart is a renowned global and top selling name of Ayurvedic products in United Kingdom and Europe for various chronic, acute health issues.
